

Your financial partner in  
Estonia, Lithuania and Latvia

Danske Bank

# Welcome to Sampo Pank Estonia, Danske Bankas Lithuania and Danske Banka Latvia

Whether you are setting up business in Estonia, Lithuania or Latvia or already have established an operation there, you can draw on the Danske Bank Group's expertise and local knowledge. We have a network of branches in all three countries.

**Sampo Pank**

## **Sampo Pank - Estonia**

With a network of 25 branches and offices in the main industrial centres of Estonia, Sampo Pank is the country's third-largest full-service bank, catering to personal as well as business customers.

**Danske Bankas**

## **Danske Bankas - Lithuania**

In Lithuania, Danske Bankas operates 20 branches in seven major cities. Danske Bankas is a full-service bank,

welcoming personal customers as well as domestic and international businesses.

**Danske Banka**

## **Danske Banka - Latvia**

With 5 branches situated in Latvia's capital Riga, Danske Banka is the Danske Bank Group's full-service bank in Latvia.

## **International Corporate Banking units**

Each of the three banks has its own ICB unit to serve subsidiaries of international companies. These units work closely together with our main corporate banking team and with subsidiaries' parents, ensuring coherent solutions for all the individual subsidiaries.

### **Flexible solutions**

Sampo Pank, Danske Bankas and Danske Banka provide banking services for retail, corporate and institutional customers. The banks offer all relevant products for corporate customers including

- Cross-border cash management
- FX and derivatives
- Trade finance
- Overdraft facilities
- Term loans
- Credit cards
- Accounts and payments services (multi-currency)
- Insurance
- eBanking

### **eBanking**

Sampo Pank, Danske Bankas and Danske Banka provide online banking facilities for businesses as well as individuals. The online banks handle domestic and international payments, currency exchange, securities transactions, and term deposits for businesses and individuals. The systems also offer a variety of real-time overviews of accounts.

## Sampo Pank, Danske Bankas, Danske Banka – branches of the Danske Bank Group

One of the largest banking groups in Northern Europe, the Danske Bank Group has more than 4.5 million customers and offers a wide range of financial services, including insurance, mortgage finance, asset management, brokerage and real estate, and leasing services.

### **Covering the globe**

With roughly 25,000 employees working out of 900 branches in 14 European countries the Danske Bank Group covers most of Northern Europe. In addition, the Group collaborates closely with roughly a hundred partner banks throughout the world.
