

Loan repayment schedule in Danske eBank

To view your loan payment schedule, log in to **Danske eBank**, choose **Info / Loans** from the menu and perform the following actions:

1. Choose the loan whose repayment schedule you wish to view.
2. Click on the **Loan Repayment Schedule**.

The screenshot shows the Danske eBank interface. On the left is a navigation menu with 'Loans' highlighted in red. The main content area is titled 'Loans' and contains a 'Customer' information box and a table of loans. The 'Loan Repayment Schedule' link is highlighted in red in the table.

X	Contract No.	Loan Name	Period From	Period Till	Amount	Currency	Interest Rate (%)
<input type="radio"/>	K200611-1000	Verslo paskolos	2006.11.30	2016.02.04	500,000.00	EUR	5.44
<input checked="" type="radio"/>	BPL 111111111K	Būsto kreditas	2007.01.17	2046.11.15	200,000.00	LTL	6.44
<input type="radio"/>	OL322229V	Overdrafto paskola	2006.09.18	2018.09.18	300,000.00	LTL	6.51

3. Information about the loan agreement and loan payments till the nearest date of re-pricing will be presented in a new window. Under **Future Payments** you can find out what amount of money (column **Amount Payable**) and on which day (column **Date**) the bank will debit your account with.
